The End

Thank you for reading Shigoku Saku Hele. This is Kometa eBLUE magazine only publishes three times a year, so this story has taken over a year to complete. When I first started this story, I had no idea it would turn out that way, not I had for Sakuramori was a character I've learnt much from. As expected from a reader, Komether was a good balance of being both cute and simple.

There were some things that I wanted to add to this manga, but I ended up not being able to use. A look into Kamochi's legendary acting period. Sakuramori becoming frightened. Ren-kun, who's still half-naked even in the winter. Sakuramori starting a thread on the internet titled 'The Terrible Things That Have Happened to Me Because I'm a Homo', and giving advice to anyone there becoming a not-idol due to r-t. Stories about Kataigrum, Ryouraku, and the Boss. A bunch of things. While this manga ends here, you might see these characters somewhere else someday.

Thanks to: Houshaku Aoi! Kagekawamura from editing Odaguro-sama from reading. Those are all people I have admired. It feels like a dream. The readers of eBLUE. The people who left their feelings about the manga on the net. And also, to you.

With all my love too.

Until we meet again.
Kometa Hanako
